### **Ode to Autumn by John Keats: Summary and Analysis**

A summary of a classic modernist poem "Autumn" by T. E. Hulme (1883-1917) is arguably the first modern poem in the English language. Written in 1908, it shows something different from the poetry being written by the Georgian poets such as Rupert Brooke and John Drinkwater, or the surviving "Victorian" poets such as Thomas Hardy.

### **A Short Analysis of T. E. Hulme's "Autumn" | Interesting**

Analysis "To Autumn" is one of the last poems written by Keats. His method of developing the poem is to heap up imagery typical of autumn. His autumn is early autumn, when all the products of nature have reached a state of perfect maturity. Autumn is personified and is perceived in a state of activity. In the first stanza, autumn is a friendly conspirator working with the sun to bring fruits ...

## **"To Autumn" - CliffsNotes**

To Autumn by John Keates - Critical Analysis John Keats once said about Lord Byron "He describes what he sees - I describe what I imagine, mine is the hardest task" To Autumn is evidence of his way of thinking, as the poem is a vivid, lyrical portrayal of the English autumn, as he imagined it.
