### **Introduction - Welcome to Board of Intermediate Education, AP**

Activity Based Costing with Two Activities. Let's illustrate the concept of activity based costing by looking at two common manufacturing activities: (1) the setting up of a production machine for running batches of products, and (2) the actual production of the units of product.

### **Activity Based Costing | Explanation | AccountingCoach**

In production, research, retail, and accounting, a cost is the value of money that has been used up to produce something or deliver a service, and hence is not available for use anymore.
