### **Everyday Math Demystified by Stan Gibilisco (461 pages)**

It will help you remember symbols used in basic mathematics, and might introduce you to a few symbols you've never seen before! If at first some of this stuff seems theoretical and far-removed from the everyday world, think of it as basic training, a sort of math boot camp. Or better yet, think of it as the classroom part of

drivers education. It was good to have that training so you'd know how to ...
